Provider Directory

Need a Caregiver?

Finding a caregiver on the Provider Directory is easy!

- Scan the QR code to go to the Provider Directory.
- Enter the following in the **"Find Caregivers in your local area"** section:
 - Your zip code.
 - Distance from your location to look for caregivers.
- **Click** the **Search** icon. 🔍
- Caregivers in your area will pop up.
 - Look at their profiles.
- If a caregiver looks like a good fit, **click Send Message** under their profile image.
- Enter your email address and the message you wish to send.
 - Click **Send Message**.
- A notification will be sent to the caregiver.
 - They can continue the conversation with you by email.

Check back often!

New caregivers sign up all the time.
