

# Suspended Shifts IN THE WEB PORTAL

**CDTN reviews shifts on the DirectMyCare portal. If we see an error or issue with a shift, we will suspend it. Our team will reach out to you to resolve the issue. Payment for the shift cannot happen until the issue is resolved. Below explains why we suspend shifts. However, per the FEA contract, in ECF overtime is allowed.**

Suspended : 'Pay Rate' does not exist or was not found for 'Pay Calculation Method' of EMPE			

## Common Suspension Reasons

- **Data Validation:** Problems with time entry. This could be problems with in and out times or shifts that cross over midnight.
- **Invalid/Inactive Customer:** Member is inactive, on Hold, or no longer eligible for Medicaid.
- **Missing/Inactive Agreement:** Date(s) of service are before/after authorized work times.
- **Overlapping Budget Detail:** Two working times overlap each other for one Member.
- **Missing EIN:** Employer Identification Number (EIN) is pending or on hold.
- **Missing/Inactive Employee:** The worker is listed as inactive, on hold, or is listed under a different Employer of Record.
- **No Cust/Emp Relationship:** Worker and Member relationship is inactive.
- **Pay Rate:** Date(s) of service submitted are before/after pay rate start/end dates. Or pay rate service code is not listed for the Worker.
- **Bill Rate:** Bill rate is not set up correctly.
- **Hours Overage:** Shift exceeds the work week limit of 40 hours per week. Or hours exceed what is left in the budget. We will reduce the time to fit the budget and deny the rest.
- **Overlap Detected:** Shift overlaps an already submitted shift. New time will be denied (Community Transportation SVC code shifts are not considered an overlap).
- **Over Budget Dollars:** Shift will go over budget dollars. We will reduce the time to fit the budget and deny the rest.
- **Over Budget Units:** Shift will go over budget units. We will reduce the time to fit the budget and deny the rest.
- **Duplicate Record:** Shift duplicates and already submitted shift.
- **No Budget Quantity:** Authorized working times are missing the amount of dollars/units in budget.
- **Range Over Budget Units:** Shift goes over the amount of units/hours allowed for the pay period.
