Employer of Record: Time Approval

- 1. If you are the Employer of Record, sign in to the CDCN web portal, **DirectMyCare.com**, by entering your email address and password. Click **Sign In** and you will be redirected to the dashboard.
- 2. On the dashboard, click the **Time Entry** button in the upper right of the screen and you will be redirected to the time entry approval screen.
- 3. From the dropdown, select the Worker whose time you are reviewing.
- 4. You can choose to approve one shift at a time, a row at a time, or an entire week at a time.

- **6.** The rejected shift will be returned to the Worker and marked with a red X. After a shift is rejected, it cannot be adjusted by the Worker. The Worker will need to submit a new shift.

How do I correct a shift entered from EVV?

If an attendant submitted the shift for the Employer's approval but it needs to be changed, it is important that the Employer reject the shift in the web portal. The rejected shift will be returned to the Worker. After a shift is rejected, it cannot be adjusted by the Worker. The Worker will need to delete that shift and enter a new one.

Troubleshooting

User ID is Invalid

If the caller does not enter # sign after User ID, they will get a "User ID is invalid" message.

No Options Given to Record Time

If the IVR system does not recognize the phone number you are calling from, it will ask for your User ID and PIN. However, you will not hear options to record time or advance in the IVR system. IVR requires you to use the Member's landline phone that is on file with CDTN. If the member needs to update their phone number, they will need to contact CDTN or their Supports Broker.

IVR System Options

The options in the IVR system are as follows:

- "To record a timesheet entry, press ONE" this is for Workers who want to record an EVV compliant IVR shift.
- "To record a fob entry, press TWO" this is for Workers who want to record an EVV compliant fob shift.

I Don't Remember My PIN

Caller must use 6-digit PIN, followed by #. If forgotten, change your PIN by selecting *key after entering your User ID.

TN TennCareSM Katie Beckett Part A Rates & Employer Costs

You get to decide how much to pay your workers. The amount that you pay them is a little lower than the amount that gets charged to your budget. This chart shows what that difference is.

The cost to your budget is higher because you have to pay taxes when paying a wage. This comes out of your budget and CDTN pays the tax for you. The grid here shows what taxes are owed for the wage.

For example: If you want to pay your employee \$18.04 an hour, then \$19.81 an hour is charged to your budget.

What about Overtime Wages?

If a single worker works more than 40 hours in one calendar week, all hours after 40 are considered "Overtime." Overtime is paid at 1.5 times the regular wage.

If a worker provides multiple services, the service that brings the total to over 40 hours will be the one billed for.
